

THE

PANTRY MARKET

AT KEYES

THE MARKET

The Pantry Market takes place once a month in the Atrium of the Trumpet on Keyes building. Eventually we hope to have the market spill into neighbouring St Teresa's School.

For now, approximately 20 exhibitors form the market, selling everything from olive oil to fresh pasta, confectionery and flowers.

STAND SET-UP

In keeping with the slick aesthetic of the Trumpet Building, we have opted for a simple set up with black and white as the focus.

We provide a table with a skirt, a chair, a stand name and a crate to display your products. Plug points are available, but please bring an extension cord to ensure you reach the nearest one.

STAND-HOLDER TESTIMONIALS

Your marketing attracted the right customer base, sophisticated and knowledgeable.

- Franco Esposito, Esposito, Natural Foods from the Kamberg Valley

The average spend was great!! Nice set of 'buying' people, not just browsers.

- Alison Crossley, CREATE Deli

Brilliant captive audience - and just the right demographic. It was excellently arranged.

- Lorena Caon, It's My Jam

I really like the 'meet the makers' aspect of the market and it's helpful that the market is once a month, making it feasible for owners to be in attendance versus hiring someone to run the stand.

- Karen Dunn, Urban Apiary
